# Selling Out-

## AT YOUR PRICE

That's the story of Forest Hills West.

Just when the new Long Island station at Forest Hills West, called "Matawok," is opened up the owners of Forest Hills West are selling the biggest future junction point on Long, Island "at your own price."

Just when the big profits are in sight they are selling out. And you can realize on the values created during the 18 years the Matawok Land Company has held this ideal section of New York City-because the Company is now in process of liquidation.

Just when New York's need is greatest for a spot that is easily get-at-able; a spot that has ideal transit facilities (10 minutes from Penn Station) and low transportation costs—they are throwing Forest Hills West on the market.

Unrestricted—you can buy these lots for apartments or business buildings, for one or two family houses-detached or semidetached, or for rows of modest dwellings. Just beyond where the Metropolitan Life Insurance Co. is erecting millions of dollars worth of new apartments and much nearer 42nd Street than Jamaica.
